ARMY

Bert David, Captain

The Club was founded at USMA in 1961 under the inspiration and guidance of Captain Harvey Garn, who was a Rhodes Scholar and learned his rugby in the United Kingdom. Coaching the Army team has, since 1966, become a very pleasant task for the British Exchange Officer. The present head coach, Major Michael Hague, is in his second season with the Club. Army had a great season last spring, winning all of its regular 1st XV games, victims including Air Force, Navy, arch-rivals Old Blues of New York and Roundhay, one of two British touring teams encountered. The sports magazine Rugby USA rated Army 8th in the nation for 1970/71.

On behalf of Philadelphia-Whitemarsh Rugby Football Club I would like to extend our gratitude for the continued support of the Army and Navy Rugby Match from sponsors, alumni, fans, players and the coaching staffs of the Service Academies, particularly Coaches Pohlidal and Flannigan. We also appreciate the support from each of the administrations of the Service Academies.

Our stadium hosts, the Valley Forge Military Academy, aside from providing one of the most picturesque settings for the match to date, have been a pleasure to work with and a special thank you goes to the Director of Special Events, LTC William C. Smith, VFMAC Class of 1961, and the Athletic Director, COL James J. Burner.

Our officials also deserve special recognition for their efforts and we are lucky to have Referee Terry Haas E.P.R.R.S., Touch Judge Dan Dohoney E.P.R.R.S. and Touch Judge Pete Hesler E.P.R.R.S. available for our match.

Finally, I need to thank the Philadelphia-Whitemarsh Rugby Football Club's Board and the countless volunteers from our Old Boy playing side and active player ranks without which none of this would have been possible.

Cheers and enjoy the match.

Rafael X. Zahralddin-Aravena, Esq.
